01

COMING FROM THE BEST

Telugu Collective is a Section 8 Company, which focuses on promoting telugu literature to the current generation through various available platforms

The Psychic Filmmaker is a knowledge-driven community for filmmakers

Through learning content and live events, we bring filmmakers together and create opportunities.

WHAT IS EKAM

EKAM is a unique cultural event that brings literature and cinema together on a single platform, celebrating storytelling in both written and visual forms. Open to everyone—from book lovers and movie enthusiasts to aspiring creators and professionals—EKAM is designed as an inclusive, all-day experience that blends inspiration, learning, interaction, and entertainment. The event features interactive sessions with prominent personalities from literature and cinema, fusion discussions between authors and filmmakers, book and app launches, hands-on workshops for aspirants, dedicated networking spaces, and engaging activities throughout the day.

For sponsors, EKAM offers a high-impact opportunity to connect with a culturally engaged and creatively driven audience. The event provides multiple avenues for meaningful brand visibility, experiential engagement, and association with creativity, innovation, and storytelling, ensuring authentic connection and strong brand recall.
